

Professional Development Program  
Lesson Integration Plans  
SUBJECT: ELECTRICITY/READING  
GRADE LEVEL: 10-12

**SELECT CHARACTERISTICS OF A POSITIVE IMAGE: LEVEL 2.3**

*National Career Guidelines Competency VIII* - Understanding the influence of a positive self-concept

*Suggested Oklahoma Learner Outcome 1.E* - The student locates and uses information to increase knowledge of content areas and topics of personal interest.

**INTRODUCTION:**

Have business speaker (person from employment agency, Electrical contractor, HR person, etc.) talk to students about first impressions and their role in the hiring process.

**ACTIVITIES:**

Students will identify characteristics that project a positive self-image.

☛ Have students brainstorm a list of positive and negative behaviors.

Student Tasks:

- Lead the brainstorming session
- Record ideas on white board or overhead

☛ Compare list to Activity 1 on page 12 in the PDP Student Workbook, Level 2

☛ Have student complete Activity 2

Student Tasks:

- Complete Job Characteristics

**EVALUATION:**

- Write an expository essay on the workplace (jointly graded by Welding & English teachers)
