

# Preparing a Professional

## True or False?

T

F

1. If all the students in your class are given the same directions for a product, their products will always come out the same.

2. Good communication is important in all areas of life.

3. Your résumé should always be kept outside your employment portfolio.

4. The portfolio you start in high school can be maintained for your entire working life.

5. A mentor is someone who can help you achieve your career goals.

6. The top achievement of the SkillsUSA Professional Development Program is the National Degree.

*Essay question for extra credit:* If you were an employer, which would you prefer: a job applicant with PDP skills, or one without? Why?
