Wednesday, May 5
Two sessions to select from:
8:45 a.m. – 12:30 p.m. ET or 12:45 p.m. – 4:30 p.m. ET

Aspire is designed specifically for high school students.
This event will create an authentic career-focused experience between
students and industry partners that fosters meaningful and lasting
connections relevant to the student’s future career.

Students will examine career aspirations within a cluster, narrowing down
available options and bringing personal interests into focus. This is a live encounter
with industry professionals to learn more about in-demand careers.

For teachers, this is an opportunity to provide students direct connection to
national industry partners who represent in-demand careers, meeting Perkins V
requirements and, potentially, state education standards.

PARTICIPANTS WILL:
- Examine their career priorities.
- Interact with business and industry professionals
to distinguish between different career options.
- Create an action plan to achieve their career goals.

ESSENTIAL ELEMENTS
Aspire is designed to develop the following Essential Elements of the SkillsUSA Framework:
- Job-Specific Skills.
- Professional Development.

OUTCOME STATEMENTS
As a result of attending Aspire, the SkillsUSA mission is achieved by ensuring that members are able to:
- Research information about potential future jobs to inform skill development.
- Design a career plan based on the identified career goal that includes
  academic and technical coursework, certifications, workplace
  experiences and leadership development goals.

PLAN NOW TO ATTEND
Registration opens March 15. One-time chapter
registration fee of $25 covers all of your students.
