Participants must have access to a 1:1 computer or device with Zoom video capabilities on the day of the event. These will be needed if your chapter is in-person as participants will explore career options and engage with business and industry for small group session.

**ASPIRE Option #1**

8:45 a.m. **Pre-Show Session**  
Login to the event platform for engaging pre-show fun!

9 a.m. **Kick-Off Session**  
Join your SkillsUSA facilitators for an exciting and engaging opening session where we’ll unpack the day and get prepared to clarify our career options.

9:15 a.m. **Career Cluster Pathway Discovery**  
Together, we’ll discover more about the career options that are available within our Career Cluster and prepare questions for the business and industry representatives we will engage with.

10:15 a.m. **Break**

10:30 a.m. **Swipe Right/Left**  
*Career Speed Dating with Business and Industry Professionals*

Be ready to engage in small group discussions with business and industry to learn more about their career and determine what you like and may not like about their roles.

11:30 a.m. **Looking Forward**  
Now that we have spent time discovering more about the options within our career cluster and engaged with business and industry professionals to learn more about what their roles entail. We’ll create an action plan to achieve our career goals.

12:20 p.m. **Celebration**  
You did it! You have started to narrow down your career options and created a plan for what’s next.
