PRE-WORK | INFORMATIONAL INTERVIEW (Possible 20 pts)

Start the meeting by providing your name, training program and that you are attending the SkillsUSA Washington Leadership Training Institute, where you will learn professionalism, communication and leadership skills while advocating for career and technical education and SkillsUSA. Ask all the questions listed and take notes while the person is responding. Be sure to thank the interviewee for his or her time. After the interview, summarize all responses, and save the document to be submitted as a pre-work assignment. Before the meeting, print and review the Information Interview Questionnaire:

Informational Interview Questionnaire
