RECOGNITION DAY

Member of the Month

Member of the Month is a program designed to recognize students who exemplify an Essential Element of the SkillsUSA Framework. This process of recognition builds value into the exceptional work that students do every day and encourages all members to exemplify the personal, workplace and technical skills grounded in academics needed to be career ready. Honoring hard work in your chapter creates a sense of community and reminds members that their dedication to their training program and SkillsUSA does not go unnoticed.

The Member of the Month recognition program will reignite student engagement with the opportunity to be recognized for a commitment to career readiness.

Local Nomination and Selection Process

Any chapter member can nominate someone for the Member of the Month. The nominating member will submit a nomination form for review to chapter officers. All nominations should be submitted monthly by a deadline of the chapter's choosing to ensure enough time for proper review.

Using the Chapter Member of the Month Evaluation Form, chapter officers will review nominations and designate finalists. The chapter president will select the Chapter Member of the Month on or before the announcement date.

Announcement and Local Recognition

The announcement date is the first of the month. For example, chapters should announce the Member of the Month on October 1st to honor the work they did in the month of September.

Announcements should be made on your chapter's social media pages using the provided social media post templates. Be sure to include the hashtag #SkillsUSAMOTM so your post can be found by SkillsUSA members around the country! Chapters may also announce Member of the Month selections on school social media accounts, in school newspapers or broadcasts and in any other way that builds value into the program and honors participants.

The Member of the Month should be recognized with the social media announcement and a certificate honoring their achievement. The fillable certificate template is included in this packet, and should be signed by the chapter advisor and chapter president. Your chapter is encouraged to build on this standard of recognition with unique traditions and celebrations.
