Marcia Strickland joined SkillsUSA in 2013 and leads the Customer Care Team. Marcia began her career and technical education career in 1999 when she joined the staff of two state-based career and technical student organizations that served special needs populations. She would become the state coordinator for each of those organizations and serve in that role until 2010. Marcia often expresses how fortunate she feels to be able to have the opportunity to work directly with dedicated SkillsUSA advisors from across the nation daily.

Lauri Domer began serving as a Customer Care Team member in the fall of 2018. Lauri's SkillsUSA involvement is abundant as she has served in several roles from chapter chaperone, middle school chapter advisor, state staff member and state director officer team. Lauri is currently serving on the SkillsUSA Championships Management Team as a Cluster Chair at the National Conference. Lauri's many roles in SkillsUSA makes her a great addition to the SkillsUSA Membership Hotline where she is energized daily with helping advisors and members.

Kelli Engelbrecht recently joined the SkillsUSA Customer Care Team to offer guidance on the Program of Work and the Chapter Excellence Program. Kelli has 30+ years of experience in Career and Technical Education. In those years she spent 16 in the classroom teaching Design Drafting and leading her students and fellow advisors in SkillsUSA chapter procedures. SkillsUSA holds a special place in her heart due to the endearing relationships she was able to build with students and advisors and because of the personal and professional growth she witnessed in students through participating in a healthy Program of Work.
