SkillsUSA Champions is our **flagship digital publication** for career and technical educators and students who are interested in cultivating SkillsUSA Framework skills essential to success in further education and employment. This dynamic resource motivates members and builds a community through relevant and inspiring content shared on a digital hub and in two print editions per school year.

SkillsUSA is a national, nonprofit organization serving over 330,000 middle school, high school and college/postsecondary students and teachers who are involved in training programs for technical, skilled and service occupations. With nearly 18,000 classrooms in 53 state and territorial associations, SkillsUSA has a national reach. In addition, more than 650 corporations, trade associations and labor unions support SkillsUSA's work through cash donations, in-kind donations and volunteer time.

SkillsUSA prepares career and technical education students for employment in high-performance work environments. The organization provides educational programming, experiences and competitive events that help students master leadership, technical skills, effective communication, teamwork, work ethic and professional development as they enjoy opportunities for local, state and national recognition.

SkillsUSA Champions is much more than a digital magazine. The vibrant, modern and professional content provides useful information and inspiration for all audiences. Teachers can implement Champions as part of their classroom instruction using a comprehensive lesson plan. Students can be inspired for their chapter activities and career decision-making. Corporate sponsors can see the value of the programs they support and share their messages with our members who will be their future employees or customers.
