SkillsUSA Bias, Harassment, or Discrimination Incident Report Form

SkillsUSA developed this form and accompanying procedure as part of its efforts to promote safe environments for the students, staff, and volunteers participating in its programs and events.

If you are physically threatened or there is an immediate safety concern, please contact 911.

Please use this form to report incidents of bias, harassment, or discrimination that take place during SkillsUSA programs and events. Incidents include unwelcome actions against a person or group that are related to one’s race, color, religion, sex, sexual orientation, gender identity, gender expression, gender transition status, national origin, age, disability, genetic information or marital status.

Upon receiving this form, SkillsUSA or an appropriate designee will contact you, connect you to appropriate resources, and explain next steps. Although SkillsUSA cannot guarantee your confidentiality, it promises to protect your privacy to the extent possible while addressing your concern. Alternatively, you have the option to send this report anonymously. To do so fill it out without your name or identifying information.

If you have a concern related to SkillsUSA that is outside of bias, harassment, or discrimination, such as a competition grievance, please utilize the appropriate avenue.
