QUICK START GUIDE

Step-by-Step Instructions

1. Go to the SkillsUSA website at www.skillsusa.org and locate JOIN at the top of the page. Click the JOIN button to proceed.

2. If you are a new advisor, you will need to create a login by clicking on the Create Login button. If you are a current advisor, simply log in and proceed to the registration page, then continue to follow the instructions in Step 7.

3. When creating your login for the first time, you will be able to select state, school and program area. You must have an active chapter to be able to locate your school. If your school is not listed, please click on Can’t Find Your School and request that your school be added.

4. Next, you are required to enter a valid email address and provide a password.

5. If prompted, please answer the Secret Question for password security, then select Create Login.

6. You will be taken back to the Login screen. Use your email address and password to log in.

7. Here you will be able to add members or register for conferences. Select Membership to add members.

8. If you are a new advisor you will need to add your Training Program by clicking on the New Program button.

9. Now you are ready to join members. Select Member to the right of the training program to which you will be adding members.

10. Then select New Member. The Membership Details record will appear.

11. Complete the requested information for each member. Students and professional members should only be entered into one training program to prevent duplicates. Continue to save and add new members until all members have been entered into the system. Be sure to enter yourself as a professional member and change the Stud/Prof field from "Student" to "Professional."

12. You are now ready to join selected members by using the Ready to Join checkbox located at the right of each member’s name, or you may select ALL members by using the Ready to Join checkbox located in the blue column headers. Any members not selected will remain pending in the system until they are officially joined or deleted from the system.

13. You are ready to submit your membership to SkillsUSA by selecting Join Selected located at the top of the page. Now the steps for payment will be generated.

On the payment page, complete the following fields: Verify Advisor’s Email Address, Opt In, Payment Method, 100% Students Joining, Combined or Split Invoice. Read and accept the statement: “Once you click ‘Join Now’ no drops or substitutions can be made and you guarantee to pay the invoiced amount.” Upon completion of all fields, click the final Join Now in bottom left corner.
