## Comments about visit

Sam Morgante met with us. Congressman Jim Langevin is a strong supporter of CTE. Sam said he enjoys speaking at our WLTi conference. The overall visit was very beneficial and informative.

## What main points did you share in your visit?

We discussed the need for a skilled workforce and how SkillsUSA helps to fill that need.

## What was your call(s) to action for the person you met with?

We asked for continued support for CTE, and to help us build even greater awareness of CTE within the U.S. public education system. We asked for support of SkillsUSA as an organization that lifts up young people across the United States

 Did the person support SkillsUSA/CTE? If yes, provide evidence

Sam said that Congressman Langevin is part of the CTE Caucus and that he clearly supports the current Perkins funding reauthorization and feels it is important to support CTE education as it leads to jobs and a more stable economy. Sam and Congressman Langevin are both aware of SkillsUSA and have positive feelings about the organization.
