Version 4 – Fundraise for Travel

Good morning, **[School Name]**!

Our SkillsUSA chapter is gearing up for an amazing opportunity. We are planning a trip to the **[FLC, WLTi, SLSC or NLSC]**!

We'll be learning new leadership skills, competing in career-based events, and representing [School Name] alongside students from across **[the state / the nation]**.

But we need your help to get there!

This week, we're kicking off a SkillsUSA Fundraiser to help cover the costs of the trip. You can support us by **[buying snacks, buying a raffle ticket, coming to our bake sale, ordering from our fundraiser or attending our fundraising event]**.

Here's how you can help:

- **[Details about the fundraiser: What, when, where] and the cost]**
- Ask any SkillsUSA member for more details or stop by **[Location]** to get involved!
- Every dollar we raise goes toward this trip and helping our SkillsUSA members grow as leaders and professionals.

When you support SkillsUSA, you're helping students like me have opportunities to travel, learn, compete and represent our school. Let's make this trip possible by all working together! Thanks for your support!
