Be a Chapter Officer—Your Future Starts with Leadership.

USE THIS SAMPLE FLYER

Feel free to adapt this flyer to fit the needs of your chapter or create your own. Embedding a flyer into an email sent to students is a great way to pique their interest and direct them to an informational page. You should place a link to whatever page or form you would use to find out the students that would be interested in taking on a leadership role as a chapter officer or as a part of any committees you establish within your chapter.

INFORMATION PAGE/FORM

You can provide some minimal information to the students prior to a survey. This may include:

- **Skills a candidate should have or strive for.**
- **Professional expectations.**
- **Required training or dates, especially for travel.**
- **Cost to participate, if any.**
- **Any other information you feel is pertinent.**

Try not to overload students with too much information, as this could turn them away.

INTEREST SURVEY

On your chapter officer or committee member interest survey, list several survey questions to gauge interest in leadership positions. Questions can be open-ended or have check-boxes.
