

Program of Work Best Practices

These Program of Work best practices are from advisors who share what works in their classroom.

1

“

Develop a chapter calendar to evenly distribute activities and school events.

- Amy,
Sleepy Hill MS

”

2

“

Leverage each class to break into committees, then brainstorm ideas for projects aligned to the Essential Elements.

- John,
Cooley MS

”

3

“

Let students take the lead, while providing structure and support. When members feel ownership of the plan, they're more motivated to follow through. Also, keep it realistic; quality over quantity makes a big difference.

- Erika,
Southwest JH

”

4

“

Have students brainstorm activities and then vote.

- Mike,
Desert Star Academy
