

Shared Experiences

Interview Questions

Shared Experience 1

- Engage your student in a conversation where both of you answer the following questions:
 - What is one hope and one fear you have this school year?
 - How are you different this year than you were last year?
 - What do you want more of this year than you got last year?

Shared Experience 4

- Describe one significant person who has had an impact in your life. What attributes and characteristics of this person are you drawn to? How have they pushed you to grow? Feel confident? Be fully you?

Shared Experience 6

- During a job interview, your student will almost positively be asked as one of the first questions ...”Tell me about yourself.” Ask your student ...
 - How would you give a potential employer a two-minute pitch about yourself?
 - What do you need to experience to be able to answer this question?
 - What experiences are available in middle school to help grow you in this area?
