

SkillsUSA Week Best Practices

These SkillsUSA Week best practices are from advisors who share what works in their classroom.

1

Our students anticipate the chapter Business and Industry Day when members tour three local businesses. We also do a lunch for teachers as a thank you for supporting SkillsUSA.

- Lisa, East Butler

2

Local competitions are held with area business representatives serving as judges. Student leaders give tours of the school to community members.

- Heather, South Branch Career & Tech Center

3

We celebrate by making announcements and decorating our hallway and bulletin board.

- Cornelius, Northern MS

4

The chapter makes school announcements with SkillsUSA facts.

- Louie, Thayer Central Schools

5

Last year students participated in a SkillsUSA Week 'spirit week.' They wore themed outfits throughout the week to show their support.

- Sheri, Pamlico MS

6

Chapter members present during School Board meetings to update about chapter activities and thank them for their continued support.

- Sheri, Pamlico MS
