SkillsUSA Advisor Kickoff Event

Kick off the year with the inaugural SkillsUSA Point!

This new virtual event equips chapter advisors with the updates, resources, and inspiration to lead a successful year. You will have the opportunity to network with peers from across the country, dive deeper into SkillsUSA offerings, and immediately look at how content can be integrated in your chapter during intentional planning time.

From implementing the annual theme and unpacking Back to School resources, to exploring SkillsUSA Pathful and Work-Based Learning opportunities, SkillsUSA Point will cover a wide range of topics that can enhance experiences for both new and returning chapter advisors.
